

HUMANS HAVE SAVED, STORED & TRADED SEEDS FOR THOUSANDS OF YEARS

# SECURE AOTEAROA'S FUTURE THROUGH SEED BANKS...

SEEDS REMIND US OF HOW OUR ANCESTORS LIVED

LIKE HOW A BANK HOUSES MONEY, SEED BANKS HOLD OUR SEEDS

TOGETHER WE CAN BUILD LOCAL SEED LEARNING CENTRES...

... LET'S REVERSE THE DECLINE OF BIODIVERSITY!

OUR FOOD, FIBRE, AIR AND SHELTER ALL COME FROM SEEDS

OUR SEEDS NEED SPECIAL CONDITIONS CULTURALLY AND ECONOMICALLY

HONO MAI!

WE COULD USE A HAND

TĒNĀ TAUTOKO MAI

WE ADVOCATE FOR SEED PROTECTION, RESEARCH AND CAPABILITY

UNFORTUNATELY, MANY SEEDS ARE UNDER THREAT FROM PESTS, DISEASE, HUMAN ACTIVITY AND CLIMATE CHANGE...

SEED BANKING IS A WAY TO ENSURE OUR ECOSYSTEMS THRIVE!

JOIN US IN PROTECTING, CELEBRATING AND SHARING OUR SEEDS!
